First Alert Video Doorbell

Bring customers to the next level of performance

Resideo's new First Alert VX1 HD Video Doorbell offers durable design, leading video quality and advanced event detection. With simple professional installation and advanced range and performance, the doorbell offers the reliability that dealers expect from Resideo and its First Alert brand.

FOCUS on the customer.

- Advanced event detection helps reduce false alarms – differentiates between people, vehicles, packages and animals
- Operates in extreme weather conditions -40°F/-40°C to 122°F/50°C
- Adjustable fields of view and color night vision for optimal visibility and safety – the LED used for color night vision also lights the way.

FOCUS on your business.

- Increase sales at every install by adding a video doorbell – installs in minutes
- Strengthens the business with AlarmNet 360[®] video storage plans for increased RMR (7-day or 30-day)
- Secure and reliable Resideo native cloud services that improve the video experience for dealers and homeowners
