

# WIRELESS REFRIGERANT SCALE

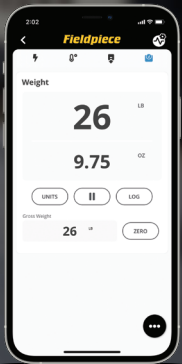

## Tough enough to handle the heaviest tanks in the industry

The Fieldpiece SR47 Wireless Refrigerant Scale is built for your charging and recovery needs. The scale has a wide platform for large refrigerant tanks, a wireless remote and wirelessly connects to the Job Link® System App. The SR47 has industry-leading battery life, wireless range and accuracy, and features unmatched reliability and convenience.

### Wireless Refrigerant Scale, SR47

- 13" platform to fit larger tanks and integrated bumpers for increased durability
- Strong enough to hold a maximum load of 252 lbs
- Wireless remote control with LED backlight makes viewing data easy, and stores in the bottom of the scale
- Industry-leading accuracy:  $\pm 0.03\%$  rdg + 0.25 oz
- Rugged and lightweight at ~7lbs
- Water resistant for any jobsite
- Connects to Digital Manifolds SM480V & SM380V and the Job Link® System App with 1000' wireless range
- Platform battery lasts 200+ hours
- A2L refrigerant compatible

**Wireless Refrigerant Scale, SR47 Specifications**

<b>Maximum Load</b>	252 lbs (114kg)
<b>Platform Dimensions</b>	13 in x 13 in
<b>Accuracy</b>	±0.03% rdg + 0.25 oz
<b>Weight</b> (includes platform, remote and case)	~7 lbs
<b>Best Resolution and Units</b>	lb oz (0.25 oz)   kg g (10 g)
<b>Power Source</b>	9v (remote display)   6 x AA (platform)
<b>Battery Life</b>	Remote display: 80 hours typical alkaline (without backlight) Platform: 200 hours typical alkaline
<b>Wireless Range</b>	1000 feet (305 meters) line of sight from remote and mobile app
<b>Remote Display</b>	(1.88 in.) Blue LED light display for dark conditions
<b>Water Resistant Rating</b>	Remote - IP64, Platform – IP54
<b>What's in the Box</b>	Scale platform, wireless remote, batteries, carrying case
