

Transfer Register Box (TRB)

FV-JD

Specification Submittal Data / Panasonic Ventilation Fan Accessory

Description:

- Transfer Register Box (TRB) provides room-to-room powered circulation in Multi-Family projects with ductless heat pumps.
- Designed exclusively for use with Panasonic WhisperValue fan and fan/light combinations.
- Powered 60 CFM transfer at less than 0.3 sone (based on FV-05VS3 fan).
- No need for a radiation damper like on jump ducts.
- Can be used to comply with ASHRAE 62.2, LEED for Homes, CALGreen and ENERGY STAR® for Homes 3.0.*

Housing:

- 26 gauge steel, fire code rated.
- Works with standard size HVAC registers—4" x 10" HVAC supply grille.

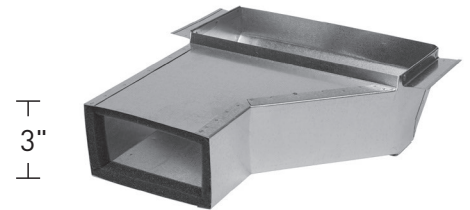

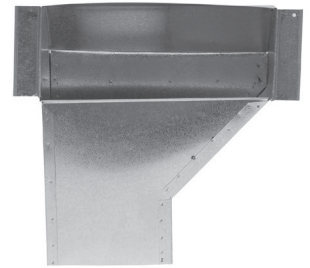

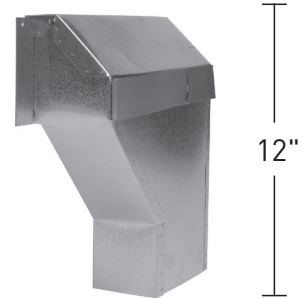

Warranty

- Transfer Register Box has no moving parts and no power. The WhisperValue fan and fan/light combinations feature a 3 year warranty on parts, 1 year on the CFL.

Architectural Specifications:

Metal accessory must be 26 gauge steel, fire code rated and be designed specifically for Panasonic WhisperValue fan and fan/light combinations. The Transfer Register Box shall work with standard size HVAC registers—4" x 10" HVAC supply grille.

Dimensions:

WhisperValue Fan and Transfer Register Box

WhisperValue fan and fan/light sold separately.

* Specific to WhisperValue® DC™ fans. WhisperValue® DC™ Fan and Fan/Light combinations comply with CALGreen when controlled by the Panasonic Condensation Sensor Plus.
