

The Aprilaire Model 2275 High-Efficiency Air Purifier is a portable, self-contained unit that is designed for use in a single room or an apartment. It removes 99% of particles 5 microns or larger in a space up to 16' x 16' x 8'. Unlike other air purifiers, the Model 2275 is simple to operate and uses an easy-to-replace filter made of Aprilaire's trademark deep-fold media.

SPECIFICATIONS

Size	11 $\frac{7}{8}$ " W x 11 $\frac{7}{8}$ " D x 13 $\frac{3}{4}$ " H	
Weight	13 pounds	
Media Size	10 $\frac{3}{4}$ " x 10 $\frac{3}{4}$ " x 4"	
Media Area	10.8 square feet	
Electrical	120 VAC, 60Hz Low speed: 35 watts High speed: 51 watts	
Air Flow (Cubic Feet Per Minute)	Low speed: 100 CFM High speed: 140 CFM	
Air Changes Per Hour	16' x 16' room (8 foot ceiling) Low speed: 3 air changes per hour High speed: 4 air changes per hour	
Media Performance	Removes 99% of particles 5 microns or larger	
CADR (Clean Air Delivery Rate)	Smoke	76 CFM
	Dust	148 CFM
	Pollen	187 CFM
	Fungi	177 CFM
Noise Level	Low	47.3 dB-A
	High	51.8 dB-A

REPLACEMENT MEDIA

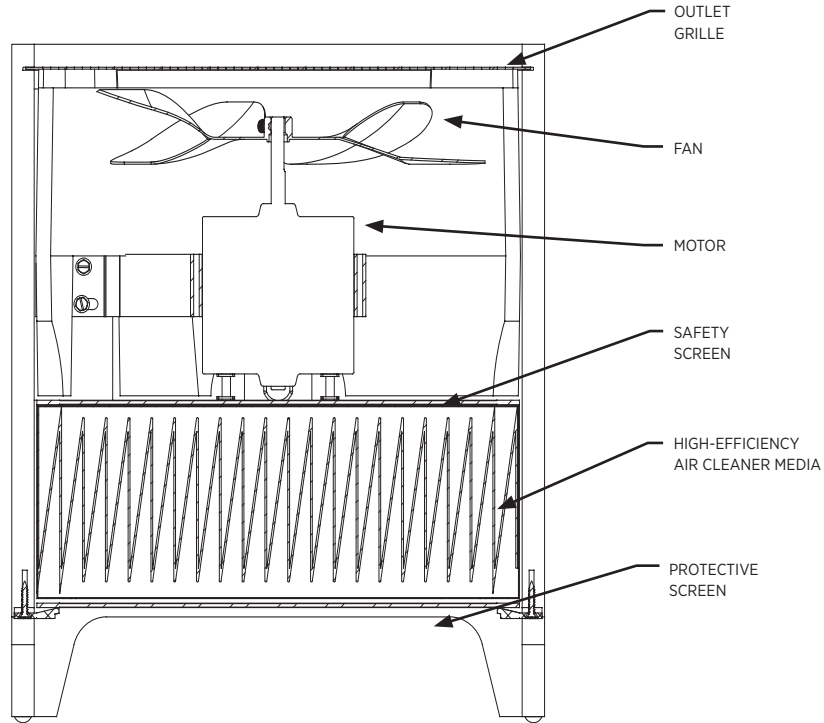

Model 2275	Aprilaire Part #275
-------------------	---------------------

FEATURES

- + Single-filter design makes changes fast and easy
- + High-efficiency media filter with deep-fold design offers more than 10.8 square feet of particle-trapping surface
- + Requires no internal cleaning or maintenance
- + Filter's cleaning efficiency improves as it loads
- + Compact, low-profile design prevents the unit from being pushed over
- + Operates for less than 18 cents a day – roughly the same daily operating cost of a lightbulb
- + Can decrease the frequency of dusting and vacuuming by removing dust while it's still airborne
- + Perfect for use in offices, waiting rooms and nurseries
