

The Streamline logo is written in a white, stylized script font with a registered trademark symbol. The background of the entire advertisement is a close-up photograph of a black carbon steel pipe being joined by a red and black press fitting tool. The tool has various labels, including 'RIP 2', 'RING JAW', and a QR code with the number '2855131'. The pipe has a green label that says 'REMOVE PROTECTIVE COATING'.

CARBON STEEL PRESS FITTINGS

The most trusted brand in piping systems products is now available in steel. Offering industry-leading technologies and intelligent design elements, Streamline® STL Carbon Steel Press Fittings provide professionals with a new level of system performance and reliability.
